

BIO-PINE 20

Pine Oil Cleaner - Deodorizer

Description

BIO-PINE 20 is a pine oil based cleaner, deodorizer, and degreaser specially developed for maintenance use. *BIO-PINE 20*'s unique combination of pine oil, detergents, and penetrating agents can be used in all maintenance areas.

BIO-PINE 20 is safe to use on aluminum, brass, chrome, copper, galvanized steel, iron, stainless steel, painted surfaces, vinyl, plastic, wood, tile, and other surfaces.

BIO-PINE 20 penetrates and emulsifies both organic and inorganic soils, greases, and body fluids, and rinses easily from all surfaces to prevent chemical residues.

Directions For Use:

BIO-PINE 20 is used at recommended dilutions of 1:100 and is fully compatible with most germicides. It may be applied by sponge, mop, or immersion. Some applications may require stronger dilution rates. See your Sales Representative for details.

Keep Out Of Reach Of Children

WARNING

Precautionary Statements

Hazards to Humans and Domestic Animals

WARNING: Causes eye and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food / food crops.

Statement of Practical Treatment
