DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in
a manner inconsistent with it's labeling.

APPLICATION INFORMATION

Best results are achieved when using a power washer.
Light duty cleaning requires just 1 Gallon of **GREEN
CLEAN** per 300 to 500 gallons of water. For heavy duty
cleaning, mix 2-4 ozs. of **GREEN CLEAN** per 1 gallon of
water. Manual cleaning concentrations vary from 1-4
ozs. of Green Clean per 1 gallon of water.
