

WYNCO PROVISIONS

SAFETY DATA SHEET

Section 1: Identification

Product Name: CVE Vit. E, K, A plus D Pack
Product Number: EZ001
Intended Use: Animal Feed
Manufacturer's Name: Dawe's Laboratories

Manufactured For:
Wynco Provisions, LLC
451 Agnes Drive
Tontitown, AR 72770
Telephone: (866)361-4689

Section 2: Hazard Identification

Hazards: None
Label elements: SIGNAL WORD: N/A Due to FDA Labeling Exemption

Section 3: Composition/Information on Ingredients

Component Classification Concentration Dust from Prepared Animal 100%
Feed (Vitamin and Minerals)

Section 4: First-Aid Measures

First Aid Flush affected area with water

Section 5: Fire Fighting Measures

Extinguishing Media: Water.

Special Fire Fighting Procedures: None.

Unusual Fire and Explosion Procedures: None.

Section 6: Accidental Release Measures

Steps to be Taken in Case Material is Released or Spilled: flush residue with water into drain.

Waste Disposal Method: Remove and put in appropriate container; According to local regulations and standards.

Section 7: Handling and Storage

Store in a cool, dry, covered warehouse.

Section 8: Exposure Control/Personal

Protection Eye Protection: Dust-tight goggles, if necessary.

Skin Protection: Standard work gloves (rubber).

Respiratory Protection: Respirator for fine dust.

Ventilation: Adequate for dust.

Work/hygienic practices: Comply with good manufacturing practices and local standards

Section 9: Physical and Chemical Properties

Boiling Point (°F):N/A

Vapor Pressure (mm Hg):N/A

Vapor Density: N/A

Solubility in Water: Highly Soluble

Specific Gravity (H₂O=1): N/A

Percent Volatile by Weight: N/A

Evaporation Rate: N/A

Appearance and Odor: Off white to cream, faint vitamin odor.

Section 10: Stability and Reactivity

Stability: Stable when stored in a cool, dry, covered warehouse, in an original, unopened container.

Hazardous Decomposition None.

Products:

Hazardous Polymerization: Will not occur.

Section 11: Toxicological Information

Routes of Entry: Inhalation: X Skin: X Eyes: X Ingestion:

Carcinogenicity: NTP: NO ARC Monographs: NO OSHA Regulated: NO Effects of Overexposure:

Excess dust may cause slight irritation of the respiratory tract or eyes.

Section 12: Ecological Information (Non-Mandatory)

Section 13: Disposal Consideration (Non-Mandatory)

Section 14: Transport Information (Non-Mandatory)

Section 15: Regulatory Information (Non-Mandatory)

Section 16: Other Information

NONE
