TUBERCULOCIDAL ACTIVITY: This product exhibits disinfectant efficacy against Mycobacterium tuberculosis var.bovis in 10 minutes at 20° C when used as directed on previously deaned, hard, nonoporous, inanimate surfaces. This product exhibits disinfectant efficacy in 10 minutes against the following organisms when used as directed on hard, nonporous, inanimate surfaces in the presence of 5% blood serum: \*VIRUCIDAL - Human Immunodeficiency Virus Type I [HIV-1: A retro virus that causes "AIDS' (Acquired Immune Deficiency Syndrome)]; Herpes Simplex Virus Type II (ATCC VR-734) and Influenza Virus A2/Hong Kong (ATCC VR-544). **BACTERICIDAL** – Pseudomonas aeruginos (ATCC 1542), Staphylococcus aurus (ATCC 6538), Mehtidlin resistant Staphylococcus (MRSA, ATCC 33592), and Salmonella enterica (ATCC 10708). **FUNGICIDAL** – Athlete's Foot Fungus (Trichophyton mentographytes (ATCC 9533), a cause of ringworm). Disinfects and controls mold and mildew on hard, nonporous surfaces such as metal surfaces, stainless stelle surfaces, glaczed

porcelain, glazed ceramic tile, plastic surfaces, bahroom fixtures, empty garbage cans and diaper pails, furniture in sick rooms and nurseries, fishing equipment and sports equipment such as skute shoes and bowling shoes. Spray in the shower stalls, shoes, and walking areas. USED N: HOSPITALS AND OTHER MEDICAL INDUSTRIAL

USED IN: HOSPITALS AND OTHER MEDICAL, INDUSTRIAL, INSTITUTIONAL, COMMERCIAL AND RESIDENTIAL FACILITES. DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. This product is not for use on critical or semi-critical medical

device surfaces. GENERAL: HOLD CONTAINER UPRIGHT. SHAKE OCCASIONALLY

DURING USE. \*KILS HIV-1 ON PRE-CLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS in health care settings or other settings in which there is an expected likelihood of soling of inanimate surfaces/objects likely to be solied with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Yinz Type ( [HIV-1] (associated with

AIDS). SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 ON SURFACES/OBJECTS SOILED WITH BLOOD/BODY FUUIDS.

PERSONAL PROTECTION: When handling items soiled with blood or body fluids, use disposable latex gloves, gowns, masks, and eye coverings. CLEANING PROCEDURES: Blood and other body fluids (containing HIV-1) must be thoroughly deaned from surfaces and objects before application of this product. DISPOSAL OF INFECTIOUS MATERIALS: Blood, body fluids, cleaning materials and dothing should be autoclaved and disposed of according to federal, state, and local regulations for infectious waste disposal.

CONTACT TIME: Allow surface to remain wet for 10 minutes. FOR TUBERCULOCIDAL USE: Remove heavy soil and thoroughly dean surfaces prior to application of this product. Spray from 6-8" until thoroughly wet. Allow surface to remain undisturbed for at least 10 minutes at 20° C before wiping. FOR DISINFECTING and deodorizing: remove heavy soil and spray from 6-8" until thoroughly wet. Allow surface to remain

undisturbed for at least 10 minutes before wiping

# Tek-iroi

## Disinfectant Aerosol and DEODORIZER

KILLS HIV-1 (AIDS VIRUS) AND HERPES SIMPLEX TYPE II VIRUSES ON PRECLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY Soiled with Blood/Body Fluids.

Kills Pandemic 2009 H1N1 influenza A virus

(formerly called swine flu).

A BROAD-SPECTRUM ANTIMICROBIAL AGENT FOR ENVIRONMENTAL SURFACES. Eliminates odors by attacking

THEM AT THEIR SOURCE. DISINFECTANT - \*VIRUCIDE - TUBERCULOCIDAL

FUNGICIDE (against pathogenic fungi) MILDEWSTAT (on hard, non-porous, inanimate surfaces)

DESINFECTANTE: SI USTED NO ENTIENDE LA ETIQUETA, BUSQUE A ALGUIEN PARA QUE Se la explique a usted en detalle. (IF you do not understand this label, find someone to explain it to you in detail)

#### DIRECTIONS FOR USE (continued):

TO CONTROL MOLD AND MILDEW (Aspergillus niger, ATCC 6275) and the odors they cause on pre-cleaned, hard, nonporous inanimate surfaces, spray from 6-8" until thoroughly wet. Let air dry. Repeat application at weekly intervals or when mildewrorwth appears.

#### STORAGE AND DISPOSAL

GENERAL: Do not contaminate other materials, including water, food or feed during transport, use, storage, or disposal. If damaged or leaking, soak up and wrap waste, then dispose of as below. **Storage**: Keep in a cool, dry, locked area inaccessibleto chidren and away from flames, sparks, sunlight, or other sources of heat or ignition. Containers heated above 130°F (54°C) may burst. **Disposal:** Refasten protective cap on container and discard in trash or offer for recycling, if wailsho be achievingent computing.

#### available. Do not incinerate or puncture. PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Causes moderate eye irritation. Avoid contact with eyes and clothing. Do not spray on or toward eyes or face. Avoid breathing spray mist or vapors. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Do not contaminate food or feed, nor surfaces that they may contact.

| FIRST AID:                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |  |
