

POWER SOLVE

NON-BUTYL DEGREASER

- Heavy Duty Concentrated Cleaner/Degreaser. • For use in heavy-duty applications.
- Great for use in Pressure Washers • Safe on Painted Surfaces
- Dilution Rate up to 1:100

DIRECTIONS FOR USE

FLOOR CLEANING: For routine cleaning, dilute 1 part Power Solve with 30 parts water. Mop and rinse. For heavily soiled floors increase Power Solve concentration.

CONCRETE CLEANING: Dilute 1 part Power Solve with 10 parts water. Apply and scrub. Rinse after scrubbing.

STOVES, HOODS AND OVENS: Preheat surface to 150 degrees Fahrenheit spray on undiluted Power Solve. Let stand for several minutes, then wipe. Rinse with potable water until clean. (Avoid Breathing Vapors: Ventilate During Cleaning.)

PRESSURE WASHING: Dilute 1 part Power Solve with up to 100 parts water depending on soil and grease conditions. Rinse surfaces with potable water until clean.

PAINTED SURFACES: Dilute 1 part Power Solve with 40 parts water. Rinse after cleaning. Warm water will increase effectiveness.

Active Ingredients: Disodium trioxosilicate, pentahydrate, dipropylene glycol monomethyl ether, surfactant, water, dye, and fragrance.

KEEP OUT OF REACH OF CHILDREN

Causes eye irritation. Do not get in eyes. Harmful if swallowed.

FIRST AID: EYE CONTACT: Remove contact lenses. Flood eyes with water for a least 15 minutes holding eyelids apart.

INGESTION: If swallowed, drink large quantities of milk or water.

SKIN CONTACT: Remove contaminated clothing. Rinse with running water for at least 15 minutes and until all traces of product are gone. If skin irritation persists, Seek medical attention.

CONTACT PHYSICIAN OR LOCAL POISON CONTROL CENTER.
