

WYNCO PROVISIONS

SAFETY DATA SHEET

Section 1: Identification

Product Name: CVE Vitamin Mix
Product Number 6 oz.: CV002
Product Number 30 oz.: CV003
Intended Use: Animal Feed
Manufacturer's Name: Dawe's Laboratories
Manufactured for:
Wynco Provisions, LLC.
451 Agnes Drive
Tontitown, AR 72770
Telephone: (866)361-4689

Section 2: Hazard Identification

Hazards: None
Label elements: **SIGNAL WORD:** N/A Due to FDA Labeling Exemption

Section 3: Composition/Information on Ingredients

Component Classification Concentration
Dust from Prepared Animal Feed 100%
(Vitamin and Minerals)

Section 4: First-Aid Measures

First Aid Flush affected area with water

Section 5: Fire Fighting Measures

Extinguishing Media: Water.
Special Fire Fighting Procedures: None.
Unusual Fire and Explosion Hazards: None.

Section 6: Accidental Release Measures

Steps to be Taken in Case Material is Released or Spilled:

Remove and put in the appropriate container; flush residue with water into the drain.

Waste Disposal Method: According to local regulations and standards.

Section 7: Handling and Storage

Store in a cool, dry, covered warehouse.

Section 8: Exposure Control/Personal Protection

Eye Protection: Dust-tight goggles, if necessary.

Skin Protection: Standard work gloves (rubber).

Respiratory Protection: Respirator for fine dust.

Ventilation: Adequate for dust.

Work/hygienic practices: Comply with good manufacturing practices and local standards

Section 9: Physical and Chemical Properties

Boiling Point (°F): N/A Vapor Pressure (mm Hg): N/A

Vapor Density: N/A

Solubility in Water: Highly Soluble

Specific Gravity (H₂O=1): N/A

Percent Volatile by Weight: N/A

Evaporation Rate: N/A

Appearance and Odor: Off white to cream, faint vitamin odor.

Section 10: Stability and Reactivity

Stability: Stable when stored in a cool, dry, covered warehouse, in an original, unopened container.

Hazardous Decomposition Products: None.

Hazardous Polymerization: Will not occur.

Section 11: Toxicological Information

Routes of Entry: Inhalation: X Skin: X Eyes: X Ingestion:

Carcinogenicity: NTP: NO ARC Monographs: NO OSHA Regulated: NO **Effects of Overexposure:**

Excess dust may cause slight irritation of the respiratory tract or eyes.

Section 12: Ecological Information (Non-Mandatory)

Section 13: Disposal Consideration (Non-Mandatory)

Section 14: Transport Information (Non-Mandatory)

Section 15: Regulatory Information (Non-Mandatory)

Section 16: Other Information

None.
