

# SAFETY DATA SHEET

## Section 1: Identification

Product Name: CVE Vitamin Mix  
Product Number 6 oz.: CV002  
Product Number 30 oz.: CV003  
Intended Use: Animal Feed  
Manufacturer's Name: Dawe's Laboratories  
Manufactured For:  
Clear View Enterprises, LLC.  
451 Agnes Drive  
Tontitown, AR 72770  
Telephone: (866)361-4689

## Section 2: Hazard Identification

Hazards: None  
Label elements: **SIGNAL WORD:** N/A Due to FDA Labeling Exemption

## Section 3: Composition/Information on Ingredients

Component Classification Concentration  
Dust from Prepared Animal Feed 100%  
(Vitamin and Minerals)

## Section 4: First-Aid Measures

First Aid Flush affected area with water

## Section 5: Fire Fighting Measures

Extinguishing Media: Water.  
Fighting  
Special Fire Procedures:

Unusual Fire and Explosion Hazards: None. None.

## Section 6: Accidental Release Measures

Steps to be Taken in Case Material is Released or Spilled: Remove and put in the appropriate container; flush residue with water into the drain.

Waste Disposal Method: According to local regulations and standards.

## Section 7: Handling and Storage

Store in a cool, dry, covered warehouse.

## Section 8: Exposure Control/Personal Protection

Eye Protection: Dust-tight goggles, if necessary.

Skin Protection: Standard work gloves (rubber).

Respiratory Protection: Respirator for fine dust.

Ventilation: Adequate for dust.

Work/hygienic practices: Comply with good manufacturing practices and local standards

## Section 9: Physical and Chemical Properties

Boiling Point (°F): N/A

Vapor Pressure (mm Hg): N/A

Vapor Density: N/A

Solubility in Water: Highly Soluble

Specific Gravity (H<sub>2</sub>O=1): N/A

Percent Volatile by Weight: N/A

Evaporation Rate: N/A

Appearance and Odor: Off white to cream, faint vitamin odor.

## Section 10: Stability and Reactivity

Stability: Stable when stored in a cool, dry, covered warehouse, in an original, unopened container.

Hazardous	Products:
Decomposition	None.

Hazardous Polymerization: Will not occur.

## Section 11: Toxicological Information

**Routes of Entry:** Inhalation: X Skin: X Eyes: X Ingestion:

**Carcinogenicity:** NTP: NO ARC Monographs: NO OSHA Regulated: NO **Effects of Overexposure:**

Excess dust may cause slight irritation of the respiratory tract or eyes.

## Section 12: Ecological Information (Non-Mandatory)

Section 13: Disposal Consideration (Non-Mandatory)

Section 14: Transport Information (Non-Mandatory)

Section 15: Regulatory Information (Non-Mandatory)

Section 16: Other Information

NONE
