FIRST AID

EYE CONTACT: Remove contact lenses. Flood eyes with water for at least 15 minutes holding eyelids apart.

INGESTION: If swallowed, drink large quantities of milk or water.

SKIN CONTACT: In case of contact with skin, immediately remove contaminated clothing. Wash thoroughly with soap & water. Was contaminated clothing before reuse.

INHALATION: After high vapor exposure, remove to fresh air. If breathing is difficult, give oxygen. If breathing has stopped, give artificial respiration.

STORAGE AND DISPOSAL

Keep product dry in tightly closed container when not in use. Store in cool, dry and well-ventilated area away from heat or open flame. In case of decomposition isolate container, if possible and flood with large amount of water to dissolve all material before discarding. Place in trash collection or dispose in approved landfill area or bury in a safe place.
