

CURTIS **DYNA-FOG**®
Ltd.
"Innovators of Spraying and Fogging Technology Since 1947"

#082599 HURRICANE™ FOGGER WITH YELLOW NOZZLES

NEW

- **Yellow nozzles are resistant to most formulations including hydrogen peroxide.**
- Electric, portable aerosol applicator.
- Capable of dispensing disinfectants, deodorizers, germicides and insecticides.
- Three precision nozzles for greater output capacity.
- Metering valve for easy control of output and droplet size.
- One gallon translucent tank permits instant and easy chemical level checks
- Sprays approximately a 100 sq. ft. area.
