Lot Number:

Expiration Date:

- + *Non-irritating & non-sensitizing*
- + *Safe if licked or ingested*
- + *Works on all animal skin types*

Indications: Vetericyn Wound and Skin Care is intended for the OTC management of skin abrasions, burns, lacerations, minor irritations, cuts and intact skin. Safe for use on all animal species.

Directions for use: Shake well before using. Move excess hair from wound area. Clip if necessary. Adjust spray nozzle. Saturate the affected area. If dressing is required, saturate dressing with Vetericyn HydroGel at each dressing change. Repeat 3-4 times per day until wound is healed. No rinsing necessary. HydroGel is designed to stick to the site of application and evaporate slowly, no need to wipe away film or residue. Faster healing is achieved when wounds are cleaned and maintained moist. Safe for use around mouth, nose, ears and eyes.

Use Precautions: For external use only. Discontinue use if irritation develops and contact your veterinarian.

For animal use only. Not for human use. Keep out of reach of children. Safe if licked by animal. Not for injection. Always consult with a veterinarian for systemic conditions.
