

**Residual that works
as hard as you do.**

Esplanade[®]
EZ

If you're in charge of a farming or livestock operation, one of your many jobs is to control weeds on your fence lines and around buildings. You need to keep large areas clear, and you don't have the time or the budget to keep making retreatments. You need Esplanade[®] EZ, the pre-mixed, backpack-applied weed control product with the longest-lasting residual on the market.

About Esplanade® EZ

Esplanade EZ offers broad-spectrum, non-selective weed control for all your bareground areas, roads, fencerows, around barns and more. Just one application with this pre-emergent and post-emergent herbicide can make your job easier, with up to 6 months residual control of more than 40 grassy and broadleaf weeds. It's easy to use and works quickly, you'll see results in just a few hours.

Application and use

- Apply Esplanade EZ using a backpack sprayer

Ideal for use on:

- Equipment storage areas
- Roads and driveways
- Open sheds
- Fencerows
- Around barns and buildings
- Around boarding/training facilities and arenas
- And more

Application tips

- Apply to areas with and without weeds, i.e. around barns, along fences, etc.
- The residual control will prevent weeds from emerging up to 6 months
- For best control of annual weeds, apply to young, actively-growing weeds
- Uniform coverage of the treated area is necessary for effective pre-emergence control

Benefits of using Esplanade EZ

- Easy to use – contains a pre-mixed, post-and-pre-emergence herbicide
- Reduced time and labor costs – thanks to fewer applications
- Up to 6 months residual – one application for longer-lasting control
- Ideal for use near landscape trees and shrubs
- More sustainable – one-and-done solution usually replaces multiple repeat applications of straight glyphosate
- Not a federally restricted-use pesticide

Broadleaf weeds controlled:

- Common Chickweed
- Wild Mustard
- Kochia
- Maretail
- Spotted Spurge
- White Clover
- And more

Grassy weeds controlled:

- Crabgrass
- Goosegrass
- Cheatgrass
- Giant Foxtail
- Perennial Ryegrass

Please see the product label for a full list of weeds and brush controlled.
