

# ProPhorce™ SR 710

## Unrivalled butyric acid power

### Driving gut health and performance

Experience the power of ProPhorce™ SR 710. Improving animal performance starts with good gut health. Science is clear about the many positive effects of butyric for optimizing gut-health. ProPhorce™ SR 710 is the most efficient solution to use, without odor issues.

### Benefits

Using ProPhorce™ SR710 helps to improve performance of animals by improving their gut-health. The butyric acid is released where it needs to be: in the intestine.

ProPhorce™ SR 710 affects performance in a number of ways:

- ◆ Most effective in delivering butyric in the intestine
- ◆ Specific release without coating
- ◆ Cost effective way of enhancing gut health
- ◆ Improves performance and nutrient efficiency
- ◆ Reduces bacterial threats
