

COMPANION™

Hand Sanitizer

Product

COMPANION Hand Sanitizer is an alcohol-based foaming hand sanitizer formulated to provide exceptional protection for today's veterinarian and food animal production locations. COMPANION Hand Sanitizer is dispensed as a thick, rich foam that dries instantly and eliminates inconvenient spills through precisely metered pumps. COMPANION Hand Sanitizer is recommended for use by production personnel and veterinary staff. It is ideally suited for personnel moving from farm to farm, room to room, and building to building. It can also be easily transported in vehicles and kept in areas where water is not readily available.
