

# ADVANTAGE WS Stock Solution

## Product:

A natural antioxidant to encourage water intake during times of stress or disease challenge

## Ingredients:

Water, polyphenols (proanthocyanidins) extracted from grape seeds.

## Indications for use:

Promotes desired gut integrity and microflora balance in the face of disturbances caused by coccidia, histomonas, cochlosoma and/or clostridia.

## Directions for use:

Provide on an “as needed” basis during times of stress or disease challenge. Administer via drinking water for 3 to 7 days after first signs of intestinal disturbance/enteritis appear.

Add 1 oz. of **Advantage WS Stock Solution** per 1 gallon of drinking water to support gut health during stress or disease challenge.

Add 2 oz. of **Advantage WS Stock Solution** per gallon of drinking water to support gut health during times of **severe** stress or disease challenge.

## Packaging:

1 gallon bottle; 4 bottles per case

## Storage:

Store in a cool, dry area.
