

SUPER FLOCK™

1 lb bag

- Promotes overall health in your flock.
- Contains Prebiotics, Probiotics, Herbs and Essential Oils to improve overall immune system health.
- Digestive Enzymes help the birds digest and utilize their feed better.
- Provides Vitamins and Minerals essential for all species of poultry.

Super Flock™ is a nutritional supplement in a crumble form that provides the essential Vitamins and Minerals necessary for overall health for all species of poultry.

Our addition of Probiotics and Essential Oils help improve gut integrity.

Improved health can be seen in more plentiful and better-quality eggs, a healthy plume and better overall condition.

Super Flock™ is a great addition for show birds or market birds that are on high fat diets.

Feeding your birds treats like Mealworms, Dried Bugs, etc. can be healthy and a lot of fun, but adding these to the birds diet does not mean that they are always getting all the nutritional support that is needed in the form of Vitamins, Minerals, Beneficial Bacteria, Etc. The addition of Super Flock™ provides the Vitamins, Minerals, Digestive Enzymes and Probiotics to help keep your flock healthy!

Adding Super Flock™ to your daily routine will provide the additional Vitamin D, Vitamin E, Vitamin A, Folic Acid, Vitamin B-1, B-6 and B-12, Vitamin K, Essential Oils, Herbs, Prebiotics, Probiotics and Digestive Enzymes to help your flock flourish and be a Super Flock!
