

# REGANO<sup>®</sup> - LIQUID

Regano<sup>®</sup> liquid products are highly effective water-soluble solutions that help poultry overcome times of intense stress by stimulating appetite and strengthening immunity when administered through water.

## Helps Overcome Stress Related To:

- Environment
- Disease Pressure
- Production
- Transitions

## What's Inside:

### PATENTED MICROFUSED<sup>®</sup> ESSENTIAL OILS

Stimulate appetite, promote gut health and reduce pathogen load resulting in more energy for production.

### ACTIFIBE<sup>®</sup> PREBIOTIC

Feeds beneficial bacteria in the gut to promote competitive exclusion and boost immune function.

## Recommended Use:

Mix products with water to make stock solution.  
See labels for full details.

# THE DIFFERENCE

**Regano** liquid products are powered by **Ralco** technologies that make them highly effective.

POWERED BY

U.S. PATENT NO. 10,512,664

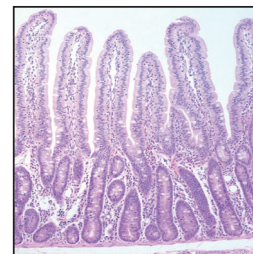

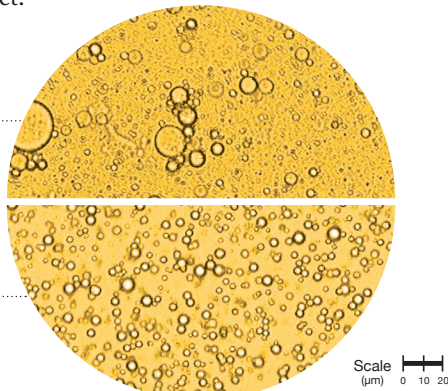

Patented **Microfused Essential Oils** have smaller, more uniform droplets that stay stable over time and temperature. Protected droplets get where they are needed to facilitate and maintain intimate contact.

## Competitor Oil:

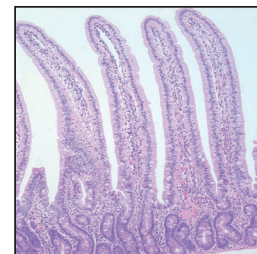

Larger oil droplets in competitive oil products coalesce and become unstable

## Microfused Essential Oils:

20 times greater surface area; 100 drops per 1 drop of competitor

Control

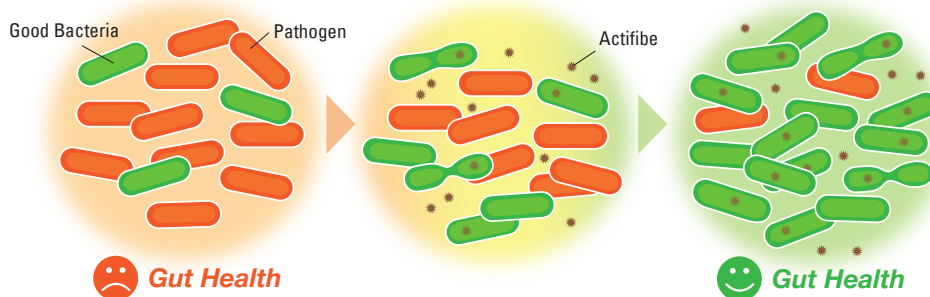

Microfused Essential Oils

These micrographs demonstrate the increased strength of the villi, which directly contributes to greater nutrient absorption.

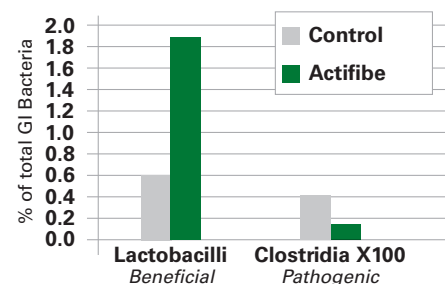

POWERED BY

Beneficial bacteria multiply when they feed on **Actifibe** crowding out pathogens for improved health and performance.

## Actifibe Preferentially Promotes Beneficial Bacteria

Research conducted by Purdue University

## REGANO - LIQUID

### REGANO 4XL

Product# 9025-1Q  
1 qt. Jug

### REGANO LIQUID OMRI

Product# 9049-1G  
1 gal. Jug

### REGANO EX LIQUID

Product# 9102-1G  
1 gal. Jug

## List of Ingredients

**Regano 4XL & Regano EX Liquid:** Water, Organic Hemicellulose Extract, Origanum Oil, Thyme White Oil, Xanthan Gum

**Regano Liquid OMRI:** Water, Organic Hemicellulose Extract, Organic Origanum Oil, Xanthan Gum

## RECOMMENDED USE

### REGANO 4XL

Mix at the following rate with 1 gallon of water to make stock solution:

Broilers 0.25 - 1.25 oz. Pullets/Layers 0.25 - 1.25 oz.

### REGANO LIQUID OMRI AND REGANO EX LIQUID

Mix at the following rate with 1 gallon of water to make stock solution:

Broilers 1-5 oz. Layers 1-5 oz. Turkeys 1-5 oz.

Meter 1 oz. of stock solution per gallon of drinking water (1:128).
