Net Volume: 1 gallon (3.78 liters)

RETHINK NUTRIENT CONVERSION

GUARANTEED ANALYSIS:

Total Soluble Fiber, min14.96%
Vitamin E, min7,700 IU/lb

INGREDIENTS:

Water, Organic Hemicellulose Extract,
Potassium Sorbate (a preservative),
Vitamin E Supplement, Xanthan Gum

DIRECTIONS FOR USE:

Agitate product vigorously before adding to water. Add 6–12 oz. of **ViTEC™ for Poultry** per gallon of water to make stock solution and mix while adding to avoid settling. Meter 1 oz. of stock solution per gallon of drinking water (1:128). Mix stock solution thoroughly before use and once every 24 hours if not used entirely. Discontinue chlorination when using and use a water stabilizer.

INSTRUCCIONES DE USO:

Agítese vigorosamente el producto antes de añadir al agua. Añádase 6–12 onzas de **ViTEC™ para Aves** a 1 galón de agua para preparar solución madre y mézclese mientras se añade para evitar la sedimentación. Mézclese completamente la solución madre por galón de agua de bebida (1:128). Mézclese completamente la solución madre antes de usarse y una vez cada 24 horas si no se usa por completo. Suspéndase la cloración cuando se use y utilícese un estabilizador de agua.

Agitate well before using and after potential product freeze. Store this product in a cool dry place out of direct sunlight. Keep out of the reach of children.
