

ESSENTIAL DRY™ XP

Essential Dry™ XP is a natural litter treatment used to neutralize odors and enhance overall litter and air quality in commercial poultry houses.

Helps Overcome:

- Harmful ammonia odors
- Excess litter moisture
- Poor ventilation
- Low air quality

WHAT'S INSIDE:

PATENTED MICROFUSED® ESSENTIAL OILS	Contains natural antimicrobial and antibacterial properties to help reduce bacterial growth.
YUCCA SCHIDIGERA	Reduces ammonia odors and improves overall air quality in poultry facilities.
DIATOMACEOUS EARTH	Absorbent compound that neutralizes ammonia, binds molds and is a natural insect repellent

Recommended Use:

Apply 50 pounds per 1,000 square feet of treated litter. For best results, apply using a drop spreader. Apply 3 days prior to placement or as needed.

Product# 7632-50
50 lb. Bag

Ingredients:

Calcium Carbonate, Organic Diatomaceous Earth, Olive Oil, Yucca Schidigera Extract, Organic Eucalyptus Globulus, Organic Lemongrass Oil.
