

PROTECTING POULTRY HEALTH AND PERFORMANCE

**Be
Certain.**

**Every Disinfection Decision
Protects Your Operation.**

Stop Pathogens Before They Impact Performance.

Intervention® provides best-in-class efficacy to help prevent the entry of and spread of pathogenic bacteria and viruses.

Intervention's formulation (listed as 'Accel Concentrate') is on EPA's Registered Antimicrobial Products Effective Against Avian Influenza [List M]

Safer for Employees

When diluted correctly:

- No PPE is required in use
- Offers a responsible, non-hazardous solution that improves workplace safety compared with harsher chemistries

Excellent Foaming Capabilities & Dual-Action Cleaning

- Lets you see exactly where Intervention has been applied
- Avoid wastage and double spraying
- Stays where it needs to work with ability to "cling to" vertical barn walls and equipment surfaces
- Improved contact time compliance = better pathogen inactivation

Biodegradable Active Ingredient and Safer for Wastewater Systems

Intervention® is powered by Accelerated Hydrogen Peroxide® (AHP®), which:

- Contains biodegradable ingredients
- Achieves the EPA's lowest toxicity rating in-use
- Breaks down rapidly and does not accumulate in wastewater, ensuring compatibility with wastewater processing facilities

CONCENTRATE

✓ Effective Against:

- Avian Influenza A (H3N2) virus
- Newcastle Disease virus
- Avian Infectious Bronchitis virus
- Infectious Laryngotracheitis (ILT)
- Marek's Disease virus
- Salmonella

✓ Easy to dilute and a cost-effective solution for large surface disinfection

✓ Excellent foaming capabilities

✓ 1:64 dilution for disinfection and 1:256 for presoak

Formats available: 1 gal, 5 gal, 55 gal

READY TO USE WIPES

- ✓ Effective against Avian Influenza A (H3N2) virus, Newcastle Disease virus and Avian Infectious Bronchitis virus
- ✓ Quick and convenient disinfection
- ✓ Intended for use on high touch surfaces found in truck cabs, transportation vehicles, corporate offices, and break rooms

Be certain with a line-up of disinfectants that makes no compromises.

InterventionDisinfectants.com

Intervention® is a proud member of the Virox family of brands.

*Intervention® is approved under the EPA Emerging Pathogen Rule, refer to EPA List N: Disinfectants for use against SARS_CoV-2.
